

Our modular learning solutions are available
**IN ANY FORMAT,
ANYTIME, ANYWHERE.**

Make every
communication count!

THE REALITY of today's time-challenged work environment

Today's current workforce is overwhelmed by task overload, competing work priorities, an abundance of meetings, and short attention spans. That is why we've tailored our training and delivery methods to meet these realities head on.

THE POWER of agile, technology-driven training

Mandel is uniquely qualified to address the time pressures and budgetary constraints of your organization's corporate training realities, without sacrificing quality.

Our workshops help your organization empower employees to clarify ideas, captivate listeners, and create business results.

Mandel offers three flagship workshops:
Extraordinary Presenter®, **Lead Without Authority®**
and **Influential Conversation™**.

THE FLEXIBILITY to create your own customized learning solutions

Mandel is the leading communication skills training company for organizations who believe in the power and potential of their employees. We create tailored modules for learners in every environment.

We customize our training based on audience, role, location, and availability. Schedule a full day or multi-day in-person solution. Combine instructor-led training with digital delivery. Do it all online. Share your needs with us and let us identify and design the right mix for your organization.

THE DECISION that can change everything

Choose Mandel and leap forward. Our experienced global trainers and award-winning content give participants the skills, tools, and confidence to connect with any audience.

Flexibility Examples

Mandel has created unique learning modules for **Kraft Heinz**, **Chevron**, **Cisco**, and many more leading organizations. Visit mandel.com to see how it worked for them and how customizable communication training can work for you.

THE RESULTS

96% of learners applied our training within first 6 weeks

91% said Mandel training is “much better” than other training

92% of learners feel our training is a worthwhile investment in their career development

LET'S COMMUNICATE
